

Addy Machinery's VIP Trip Package Includes:

- Round-trip ground transportation to the event (You can provide your own transportation. Airport shuttle provided.)
- All meals including Mazak's special VIP dinner at Turfway Raceway & Casino
- Private hotel room at The Hollywood Casino
- Event at the Mazak Manufacturing Campus to see 23 new Mazak models & Mazak's 1M sq ft factory

When: October 9 & 10, 2023
 Where: Mazak's Amazing Manufacturing & Customer Support Campus, Florence, KY
 Why: 10 Reasons Below Why You Should Attend Mazak's Discover 2023 Event

- 1 SEE NEW TECHNOLOGY IN PERSON** Stand right next to some of our newest machines and see the solutions that can elevate your productivity, including large machines for equally large parts. Add in our digital solutions, support and training, and you'll want to be here for this big picture.
- 2 LEARN YOUR WAY TO NEW HEIGHTS** Are you and your team ready to build the skills you need for new and bigger jobs? Find the learning opportunities you need.
- 3 HEAR IT FIRST HERE – FROM THE EXPERTS** DISCOVER 2023 wouldn't be North America's largest private manufacturing event without some of the leading minds in manufacturing ready to share their expertise.
- 4 SEE AI WORK SMARTER** Artificial intelligence and machine learning can improve your work and your workflow. See the latest smart CNCs and powerful, easy programming options.
- 5 WATCH MAZAKS BUILD MAZAKS** Tour our Mazak iSMART Factory™ and see automation and networking transform our production. The same techniques can work for you.
- 6 LEARN AT OUR KNOWLEDGE BARS** From equipment and applications to technologies and techniques, our experts answer your most-difficult questions.
- 7 FIND FAST, PAINLESS FINANCING** Forget about trying to finance machine tools with lenders who don't understand manufacturing. Mazak Capital Equipment Financing (MCEF) gives you quick one-source access to great rates.
- 8 REDEFINE WORLD-CLASS SUPPORT** Mazak's MPower Complete Customer Care program is with you every step of the way. Learn more about our industry-leading phone support, service, technical training, parts program, spindle rebuilds and more.
- 9 DIG IN TO WHAT'S NEW** Find out the latest manufacturing trends and how they can revolutionize many industries. Expand what you do or find new opportunities.
- 10 GROW YOUR CONTACT LIST** Meet new people from throughout North America, find referrals and partnership opportunities, and explore shared challenges.
